

Is your organization looking for a new fundraising opportunity?

How about one that has positive benefits for the health of the community and supports the local economy?

**Forget about candy bars and magazines -
Let your next fundraiser be a CSA-Fundraiser!**

Earn up to 15% back for your group from sales of CSA shares.

| Earn 5% | Earn 10% | Earn 15% |
|-----------------------|------------------------|-----------------------------------|
| 1 – 15 members | 16 – 30 members | 31 + members |
| \$600* | \$2,400* | 31 members = \$4,800 back* |

In addition we will provide:

- Brochures and tote bags
- Customized order form for your organization
- Presentation(s) by a member of our staff
- One small vegetable share to use for an additional fundraising activity (minimum of ten veggie or fruit member sign ups) – **value of \$616!**

CSA members receive weekly deliveries of fresh, organic, local vegetables, fruit, eggs, bread, cheese or mushrooms (shares sold separately) delivered to a neighborhood pick-up location.

Members give information and payment directly to your organization and then you write a check to Grant Family Farms, minus the percentage of money earned through your group's sales. Turn in the paperwork to the farm so we can enter the individuals into our system before the season begins. This is the pre-season package – all membership sign-ups must be received at the farm by March 31, 2012.

Contact your local representative to discuss this opportunity! Don't Delay!
